

How do I register for Fee-based classes?

STEP ONE: Log in or if new, create profile

If you are new to our site, you need to create a student profile.* Creating a profile provides you with a password-protected account. You need an email address to complete the student profile – one that is **not used** by another student, such as a family member. Having an account allows you to register online and track your courses. **The Fee-based student system is separate from the Tuition-free class system.*

Click on "Login/Create Account" on the dark gray bar **or** click the teal button "New? Create Profile" on the home page. Follow the prompts. When finished, you will receive a copy of your profile via email.

The screenshot displays the website's navigation and promotional content. At the top, a dark gray bar contains the text "You are not logged in." followed by a link "LOGIN/CREATE ACCOUNT" which is circled in yellow. To the right of this bar is a "VIEW CART (0)" link. Below the navigation bar is a red banner for "FEE-BASED LIFE ENHANCEMENT CLASSES". On the left side, there is a "BROWSE" menu with various categories like "ALL CLASSES", "COOKING", "FITNESS", etc. The main content area features a large image of a bowl of fruit with the text "CLICK TO REGISTER" and a list of class categories: COOKING, CULTURE, DO-IT-YOURSELF, FITNESS, LANGUAGES, RECREATION, SPECIAL TOPICS, and TRAVEL. Below this is a section titled "CLICK THUMBNAILS TO VIEW OUR FEATURED CLASSES!" with several small class thumbnails. At the bottom, there are two lines of text: "FALL 2018 SEMESTER ENDS 12/15/2018" and "SPRING 2019 FEE-BASED CLASS REGISTRATION STARTS 12/13/2018". A row of buttons is located at the bottom, with "NEW? CREATE PROFILE" circled in red, alongside "LOG IN", "CLASSES", and "FALL 2018 SCHEDULE".

After you sign in, you will be taken to an information page that provides a link to our refund policy, as well as a link to your dashboard – the place to edit your new profile, check current registrations, transaction history, waitlisting, and more.

STEP TWO: Locate the classes that interest you

- To browse courses, click a subcategory on the site's left-side navigation bar under "Fee-Based Life Enhancement" or click "All Classes" for more options and information. **-OR-**
- Click "Search" on the site's left-side navigation bar and enter information into one (or two) of the requested fields.

- If you already have a specific class ID number, you can input it in the "search for a class" window and go directly to the class.

The screenshot shows the SBCC School of Extended Learning website. At the top, there is a search bar with the text "search for a class..." and a "GO" button. A red arrow points from the text in the first bullet point to this search bar. Below the search bar, there is a navigation menu with "SEARCH" circled in red. The main content area features a banner for "FEE-BASED LIFE ENHANCEMENT CLASSES" with a "CLICK TO REGISTER" button. The class details include: "Sacred Sites: History, Science & Myths", "Friday, Nov 16 - Dec 7 1:15 pm - 2:45 pm", "Room 3, Schott Campus", and "(Class ID 22004 / Fee: \$29)".

STEP THREE: Begin the registration process - add classes to your "cart" and "checkout"

- To select the class for registration, click "Add to Cart"

The screenshot shows the class details page for "Sacred Sites - History, Science, and Myths" (ID: 22004). The page includes a description of the class, a "View More" link, and details such as "202731LE Section Number: 01", "Materials Cost: \$0.00", and "Class Cost: \$29.00". The "Add to Cart" button is circled in red.

- If a class is full, but has a waiting list, the button will say "Add to Waiting List." To add your name to the waiting list, click that button.

- When you finish "shopping" for classes, you can "View Cart" or click the "Checkout" button.
